

Student Special Dietary Requirements

Dear Parents and Carers,

Throughout the year, students at Willmot Public School will take part in many food related activities including Kitchen classes, class parties, free lunches and BBQ's. To ensure all children can participate in these activities, we would like to know if your child has any special dietary requirements including cultural and religious preferences, and vegetarian diets etc., by completing the form below and returning this to the front office.

If your child has food allergies, not just food preferences, please contact the office for a specific allergy action plan so that we can ensure that we have the correct information about your child's health allowing staff at Willmot Public School to appropriately care for your child.

We thank you for your understanding in this matter, and we appreciate your time in ensuring that we are working together to support the needs of all students attending Willmot Public School.

If you have any queries regarding this request, please do not hesitate to contact the Office on (02) 9628 0222.

Yours sincerely,

Mrs Carley Bugeja
R/Principal
